## SANTA COMING TO DISTRIBUTE GIFTS AT PARTY

Presents Promised All Kids Attending Entertainment on Christmas Eve

Santa Claus is coming to town! Old St. Nick will make his annual public appearance in Antioch on Christmas Eve at the Christmas tree party to be held at 7 p. m. just north of the Golden hotel. Antioch children are expected to be out en masse, and there will be a gift for each and every one.

Entertainment has been arranged by the Lions club, and the village board will provide candy, apples and oranges to be presented to the youngsters.

The Antioch Lumber and Coal company is also donating gift boxes of candy for the occasion, and the Lions club has agreed to help out if any shortage of gifts should occur.

Rev. Warren C. Henslee will give a brief talk to the children and lead the gathering in a prayer.

S. E. Pollock, as last year, will lead community singing of Christmas carols. Hans Von Holwede will provide piano-accordion accompaniment for the singing.

The large tree erected by the village board at the corner of Orchard and Main streets will be the center of the festivities.

Although the entertainment is provided especially for the children of the community, no age limit has been set and kids up to seventy and over are welcome and urged to be present. While the gifts are reserved for the school children, all in attendance will be rewarded with a generous supply of Christmas spirit.

## Sequoit Varsity, Alumni To Meet Monday Night

This year's game between the Sequoit varsity basketball team and the A. T. H. S. alumni, scheduled for next Monday at 7:30 p. m., should prove unusually exciting with the Old Grads prepared to put on the floor a quintet which has been working together regularly as the Murrie Service outfit in the Benton A. C. league.

Although a number of former varsity players not on the Murrie squad will likely see action in the contest, the alumni will have as a nucleus at least five players who have been playing together since the opening of the basketball season.

They are Bob King, Lars Steffenburg, Roy McNeil, Gene Sheehan and Bill Keulman. Sheehan is athletic director of the alumni association.

Strengthened by the presence of John Brogan and other varsity stars of past years, the old-timers figure to give the current Sequoit regulars all they can handle.

## It was a "Sure Thing," But He Lost the Wager

Len Schaffner, proprietor of the Midget Eat Shop, lost 25 cents last week-end betting on a "sure thing."

Rodney Jacobs, bookkeeper for the Antioch Milling company, walked into the eat shop bearing in hand a very ordinary-looking egg. He asked Len if he would like to bet a quarter that the yolk of the egg was yellow. Not thinking that a hen could become so imbued with the Christmas spirit as to lay eggs with red or green yolks, Len promptly took the bet.

The yolk was green! A five day diet on alfalfa and other exclusively green-colored victuals—which the conniving Mr. Jacobs had heard of on a radio program—turned the trick.

## -- CITY BRIEFS --

Rev. L. V. Sittler of Waukegan and formerly of Antioch was calling on friends in Antioch Tuesday morning. Rev. and Mrs. Sittler and daughter, Delores, are leaving Friday for Detroit, Michigan, where they will spend Christmas holidays with their daughter and husband, Mr. and Mrs. William Hanson.

Misses Deedie and Mary Tiffany and Mary Lou Sibley left on Saturday for Tucson, Arizona, where they will spend the holidays with Mr. and Mrs. N. E. Sibley and daughter, Rosalie.

Mr. and Mrs. Henry Hunter, having rented their farm, are leaving Thursday for Cleveland, Ohio, where they will spend the winter with Mrs. Hunter's daughter, Mrs. H. F. Wagner, and family.

Gordon Knott, son of Mr. and Mrs. Thomas Knott, is ill at his home on Ida Ave., with scarlet fever.

## Editor Gaston, Many Others Hurt Through Falls on Icy Walks

Bad falls taken on the slippery sidewalks during the past few days have taken the edge of the holiday spirit of a number of Antioch folks.

Homer B. Gaston, publisher of The News, was one of the most unfortunate victims, sustaining a broken collar bone in a hard tumble last Saturday evening.

He has been confined to bed since the accident and will probably be out of circulation for a few more days. Fortunately it was his left collar bone which snapped, so the injury will not keep him out of the office after the painfulness has left.

Mrs. William Hanke had the misfortune to fracture a wrist when she slipped on the ice Sunday.

Miss Elizabeth Webb joined the list of crippled this morning as a result of a fall in front of Lux's electrical shop. She suffered a sprained right wrist. Though not a serious injury, Miss Webb says it is proving a great inconvenience while trying to handle the holiday shopping rush at the Racket store.

H. S. Roberts, who resides at Lake Marie, received a painful shoulder injury from a tumble on Saturday and has been confined to his home since last week-end.

Numerous other minor hurts have been suffered by Antioch people since the sidewalks and streets were sheeted with ice. Even the black eye displayed by Boyer Nelson the first of the week was blamed on the slippery footing. How one manages to fall on one's eye, he did not explain.

## Girls Clothing Class Exhibits Masterpieces in Xmas Style Revue

Twenty-eight Antioch High school girls took part in a style revue at a special assembly in the school auditorium Monday morning, modeling clothes which they had made during the present school year as projects in the Clothing class.

Dresses of cotton, silk and wool were displayed which would have drawn approving looks from a first-class professional dressmaker. Wool skirts and cotton blouses were also shown.

Each girl made a separate appearance for each article of clothing she had made—and a number were on the stage as many as three times, indicating that some paternal pocketbooks have benefited materially through the fine work of the class in Clothing.

Mrs. Ruby Richey, home economics instructor, opened the Christmas style parade with a brief talk on the topic "Watching Yourself Go By," in which she emphasized the importance of neat personal appearance. Piano music for the parade of models was provided by Hans Von Holwede, music instructor. Parker Hazen served as stage manager for the revue.

The following girls took part in the style show: Anne Ginnie, Frieda Edman, Lotus Crawford, Zella Ellis, Virginia Ames, Jean Perry, Louise Mueller, Mildred Van Patten, Betty Weber, Betty Hanke, Shirley Hennings, Carol Truax, Barbara Buchta, Mildred Horan, Janice Kapple, Phyllis Hughes, Lois Bonner, Helen Horton, Doris Schneider, Lila Dalgard, Irene Chinn, Lois Wilkinson, and Anne Nelson.

## Antioch Boys Have Killed 3,498 Pests in F.F.A. Contest

Although no report has been received from Lake Zurich in the tri-school pest killing contest being conducted by the chapters of F. F. A., it appeared likely today that the Antioch Future Farmers had an unbeatable lead over the Warren and Lake Zurich groups, as the third period ended.

With 3,498 pests "in the bag," the local boys have an average of 406 points to Gurnee's 167. Lake Zurich was a poor third when the November report was made. Five points are given for each mouse or sparrow, 10 for starlings, 15 for rats and 25 for crows.

The Antioch group has disposed of 2,904 sparrows, 368 mice, 151 rats, 66 starlings and 9 crows. Point leaders among the boys of A. T. H. S. are Raymond Wells with 2,815, Robert Denman 2,730, William Yucus 2,235, and William Reamer 1,405.

Denman has chalked up 539 sparrows, Wells 520 and Yucus 398, and each has accounted for a scattering of other pests also. Reamer has concentrated upon rodents, bringing in 88 rats and 17 mice.

The contest will close on Jan. 4. The two losing F. F. A. chapters will treat the winner to a party when the final results are in.

## FREE CIRCUS PARTY PLANNED FOR LOCAL CHILDREN NEXT WEEK

More Than 100 Will Attend Shrine Show in Chicago Dec. 30

More than 100 Antioch school children are going to see the huge Shrine Circus at the Chicago Amphitheatre on Thursday of next week free, through the generosity of a group of local citizens. A special North Shore train has been chartered to take the youngsters to the city for the afternoon performance.

Plans for the holiday treat have been under the direction of Fred B. Swanson, manager of the Antioch theatre. Leaving from the grade school at 10:30, the group will be transported to Waukegan by private cars. After boarding the special train, box lunches will be provided the members of the party.

Principal and Mrs. Ralph E. Clabaugh, Mrs. C. N. Lux and Miss Mary Galiger, teacher in the grade school, will act as chaperons and a doctor will also accompany the group. Arrangements have been made for parents to join the party if they wish, at a cost of only \$2 to cover transportation, lunch and admission to the show.

About 60 Antioch adults will "preview" the circus on Tuesday. A special car will be hooked onto a regular North Shore train to take this group to the big show. For both occasions a block of seats has been reserved for the Antioch parties.

The Shrine Circus, which will run for 15 days starting on Christmas Day, includes headline acts from the five largest circuses in the country and features the animals from the Ringling Bros.-Barnum and Bailey combined shows.

Mr. Swanson expresses particular appreciation of the courtesy of the North Shore line in helping to make the two parties possible. The railroad reduced the children's fare to less than half regular price for the occasion and has agreed to deliver both groups right at the gates of the amphitheatre.

## Adair's Dance Pupils Give Revue Dec. 29

Pupils of the J. Mills Adair School of Dancing, which holds classes at the Guild hall of the Episcopal church, will present their second annual Christmas Revue at the Antioch High school auditorium Wednesday, Dec. 29, at 8:15 p. m.

The setting of the revue is an old English doll shop and the action shows the various dolls coming to life after the departure of the shopkeeper. Pupils from Antioch, Grayslake, Round Lake and Kenosha will take part.

Those from Antioch and vicinity who will appear in the revue are: Lois Brinkman, Barbara White, Joyce Strametz, Betty Jean McDougal, Louise Elms, Joan Felter, Vida Haley, Carol Ann Tidy, "Dolly" Ries, Jane Vos, Jane Nelson, Clairella Schultz, Charles Tidy, Jr., Mary Jean Maples, Virginia and Ronald Gaa, Gloria Patrovsky, Mildred Van Patten, Louise Mueller, Darlene Ducret, Terry Seisser, Shirley DeGraff, Dawn Hiller, Deane Hiller, Dale Smith, Jeanne Neville, Muriel Pester, Joan Wray, Marilyn Will and Jeanne Will. A Christmas party for all the pupils will be held after the performance.

## Antioch News Basks in Anderson's Glory

The News basked in reflected glory last week as Charles Anderson, proprietor of Saddle Inn at Deep Lake, "made" Arch Ward's Wake of the News column in the Chicago Tribune. Modestly contributing his item under the nom de plume of "Death Valley Charley," Anderson informed the world that "a tavern at Deep Lake displays this placard: 'This place is different. The customer is always wrong.'"

Having printed the now widely-heard-of placards, The News presumptuously drops a courtesy as Chick takes his bow to the public.

The Mothers Club met on Tuesday evening at the home of Mrs. Roy Kufalk, with Mrs. Elmer Hunter as co-hostess. Mrs. Pearl McKinney had charge of the program.

Mr. and Mrs. R. G. Holtz returned Sunday from a month's vacation trip through the western states and Mexico.

Mr. and Mrs. Paul Ferris returned recently from a visit with relatives at Columbus, Ohio.

## THE STAR OF HOPE

## SEQUOITS SEEK WIN OVER NILES CENTER

Suburban Quintet Favored Over Antioch in Game Tonight

Niles Center is heavily favored to wallop the Sequoit cagers tonight when the two teams meet on the local court. An easy winner in its first three Northwest conference games, the suburban team has established itself as an outstanding contender for this year's mythical title.

Last week the local quintet was idle as the inciness of the roads caused postponement of the tilt with Warren scheduled for Friday. Niles Center, gave Barrington a sound trouncing on the same evening, 35 to 15.

Ela, co-favorite with Niles Center for this year's championship, downed Wauconda last week by a 37-25 count to remain undefeated. The only other conference team with an unblemished record, besides Antioch, is Grant High, whose contest with Lake Forest scheduled for this week has been postponed to a later date.

The 1937 title-holders, the Lake Forest Gold Coasters, suffered their second consecutive defeat last week-end, dropping a hard game to Libertyville 25 to 22.

Although the odds seem to favor Niles Center in this evening's fray, with the rest allowed them last week the Sequoits may pull an upset. The game should give an indication of what may be expected of the Antioch aggregation during the rest of the season. A win for the Sequoits would definitely stamp them as one of the outstanding teams in the conference.

Tonight's varsity contest will be preceded, as usual, by a light-weight game, starting at 7:30 p. m.

## Elmer Hawkins Awarded Skates in Ticket Contest

Elmer Hawkins became the happy owner of a fine pair of ice skates the first of the week by winning the ticket-selling contest held in conjunction with the Lions club's benefit movie.

Many a high school boy will be dismayed to learn that the skates offered to the champion salesman among the upperclass students went begging. Since 10 entries in this classification were not registered, and the only high school student who took out tickets made but two sales, the second award was withheld in accordance with the rules of the contest.

The specified number of entries failed to register from the grade school, also, but young Hawkins was presented with the prize anyway. He turned in 61 sales to well earn the new pair of skates. Jerry Hogan, with 15, and Charles Teckert with 13 sales were the only other entrants to sell more than two tickets.

## Forty Attended Party Sponsored by P. T. A.

More than 40 bridge and 500 fans gathered at the grade school Monday evening for the monthly card party sponsored by the P. T. A.

Among the prize winners were Mrs. W. C. Petty, Mrs. A. P. Bratrude, Mrs. R. E. Clabaugh, Mrs. Albert Christensen, Joseph Panowski and T. M. Palaske.

The committee in charge was headed by Dr. L. John Zimmerman.

## Illinois U. Students Head Home Thursday

Urbana, Ill., Dec. 22.—161 University of Illinois students from Lake county will board special trains, busses, and private cars tomorrow for the annual exodus to spend the Christmas vacation at home.

With the largest enrollment in the institution's history, the streets adjoining the campus and the local transportation terminals will present scenes of wild enthusiasm, and confusion, for an hour or so when classes dismiss at noon. By one o'clock the University district will resemble tag day in Scotland; a charge from a 12-gauge shot gun down the heart of the quadrangle would prove harmless.

There are 13,647 resident students in the University this year—12,419 on the main campus here and 1151 others in the colleges of medicine, dentistry and pharmacy at Chicago.

Among the students from the area surrounding Antioch are:

Antioch—Robert Brogan, Margaret Hughes, Grace Minto, Orville Richey, Jane Warriner, Homer White and Eleanor Zilke.

Fox Lake—Edward Fritzsche, Grayslake—Erlene Barron, Charles Parker, Virginia Van Zandt. Round Lake—Stanley Henderson.

Lake Villa—Geraldine Bonner, Jean Culver, Geraldine Hall, Lorraine Hooper, Glenn Melby, Bette Reinbach, Andrew Simpson and Roger Thill.

## State Safety Engineer to Return Here Jan. 4

Paul J. Walburg, state safety engineer who gave the safe-driving tests to the high school students and faculty two weeks ago, will return to Antioch on Jan. 4 to deliver a follow-up talk covering the examinations. All the questions and answers will be explained to the students in detail to clear up any confusion.

In quoting from the report on the examination, the story last week incorrectly listed Alice Smith, Helen Olson and Mildred Hulik—members of the faculty—as among the students who scored 100 per cent in the written test. However, all three did have perfect scores, as did Lois Halle, another faculty member whose name was omitted in the report sent to the News.

So the girls among the students outnumbered the boys with perfect test scores only 12 to 3 instead of 15 to 3. If that's any consolation.

## Masons Will Conduct Installation Dec. 30th

Sequoit Lodge No. 827 A. F. and A. M. will install its newly elected officers at a ceremony to be held at the lodge hall Thursday, Dec. 30, at 8 p. m.

Emil Lubkeman will be installed as Worthy Master, succeeding L. R. Van Patten. The posts of Senior Warden and Junior Warden will be taken by William J. Anderson and Elmer Kufalk respectively.

Other officers who will be installed during the ceremony are: Edward S. Garrett, Treasurer; Frank B. Huber, Secretary; S. E. Pollock, chaplain; Clarence King, Senior Deacon; Edmond Strang, Junior Deacon; John Gaa, Senior Steward; Robert King, Junior Steward; L. R. Van Patten, Marshal; Solomon LaPlant, Tyler.

All Master Masons, their families and friends are cordially invited to attend.

## TAX VALUATIONS ON PROPERTY IN ANTIOCH RAISED

Total for Entire County Increased by \$1,422,575 Over Last Year

Personal and real property in Antioch township was valued by the 1937 board of review at a four per cent increase over last year, according to the equalized valuations submitted Monday to the county clerk for tax extensions. The valuations for the entire county were approximately two per cent higher than in 1936.

In dollars and cents the increases were \$22,511 in this township—or from \$549,750 to \$572,261—and \$1,422,575 in the county at large, a jump from \$77,185,920 to \$78,608,495.

Added returns on personal property assessments, particularly in Highland Park and Lake Forest, were mainly responsible for the nearly million and a half increase.

**Real Estate Steady**  
What few increases occurred in real estate values were in almost all cases due to improvements, not to increase in intrinsic value.

On the basis of investigations, the board of review boosted by \$225,305 the assessments of the 18 township assessors on personal property holdings, placing the valuation at \$12,415,415 as against \$12,126,570.

The members of the county board of review—Homer T. Cook, John E. Hayes, Sr., and Frank Roman—reduced the assessable valuation set by the township officials on real property, cutting the total from \$66,154,620 to \$66,068,960.

**Await Rail Figures**  
The county clerk's tax extension department will begin distribution of assessments among the various school districts and taxing units as soon as the railroad valuations in the county are returned by the state tax commission.

With the \$78,608,495 in real and personal property and the \$837,300 in capital stock as fixed by the state tax commission, the railroad values are expected to bring the total property valuation in the county to approximately \$85,000,000 for this year, as compared to \$82,833,518 in 1936.

## Alumni of A.T.H.S. Plan Banquet, Dance

Antioch High school alumni will congregate at the school building on Tuesday, Dec. 28, for their annual banquet and dance. Cards have been sent to A. T. H. S. graduates urging them to bring guests if they wish, and a large crowd is expected according to Homer LaPlant, alumni president. Tickets will be 75 cents.

Instead of having a guest speaker, as in the past, brief after-dinner talks will be given by a number of former students. LaPlant has announced. Ten have been invited to speak, the topics being left to the individuals.

The names listed are: L. R. Watson, Bill Sheehan, Al Herman, Vic Brown, Bob Morley, Emily Forbich, Beulah Drom, Dorothy Hughes, Cornelia Roberts and John Brogan.

Howard Gaston and his orchestra have been engaged to provide music for the dancing. The banquet will be served by the ladies of the Episcopal Church Guild.

## Window Display at Lux's Arouses Great Curiosity

Of the many attractive holiday displays in Antioch store windows, none has attracted more attention than the one created by Charles N. Lux for his electrical shop.

A robust Santa Claus is seated beside a lighted Christmas tree, under the branches of which are a number of gift packages bearing the names of prominent Antioch citizens. Curiosity is rampant as to whether the presents are bogus or bonafide.

Manger scenes are displayed in two or three other stores, and a number of other distinctive window settings have been arranged. It is well worth the time to walk through the business district just to see the wide variety of holiday exhibits in the shop windows.

## XMAS VACATION STARTS

Classes at the Antioch Grade school were dismissed for Christmas vacation Tuesday afternoon, and high school students were dismissed this afternoon following a special holiday program in the auditorium. Classes will reconvene on Jan. 3.

Mrs. Katherine Dibble was hostess to the members of her bridge club at her home Thursday.

### A Safe Christmas to You

Here's wishing you a Merry Christmas—and a safe Christmas.

This year, if past precedents prevail, many a Christmas that starts out merrily will end in tragedy—because of fire. A dead child, a seriously burned parent, a destroyed home—these are the fruits of carelessness and ignorance in regard to fire hazards.

The danger of fire always exists, and with the Holiday season a number of especially grave hazards appear. One of the worst of these is the use of real candles on Christmas trees. As the tree dries, it will very easily catch fire from even the slightest flame. And even though a tree is green enough to resist candle flame, the danger of clothing and decorations igniting is extremely great. Use electric tree candles—and buy outfits of good quality to reduce the hazard of short-circuits.

Christmas costumes, of paper and flimsy cloth, are another important danger, especially to children too young to be properly careful. Such costumes should never be worn in the presence of open flame of any kind, such as a fireplace.

During Christmas, more than ordinary care should be taken with matches and smoking materials. With a litter of package wrappings about, and the house in general happy disorder, carelessness with a match or cigarette may be the prelude to a conflagration.

Above all then—keep fire dangers in mind this Christmas, and be safe. It isn't hard. And it may save a life.

\* \* \*

### Peace on Earth—Good Will Toward Men

Both beautiful and tragic is the Christmas Spirit that steals over mankind this time of the year, causing men to forget their petty grudges, to make new friends out of old enemies and cloaking the world in the spirit of true brotherhood. The beauty of the Christmas Spirit lies in the peace that descends on the world as a result. The tragedy is that the spirit is all too short lived.

Never, perhaps, in the history of the nation has there been a greater need for the literal application of the Christmas admonition—"Peace on Earth, Good Will Toward Men."

In this, the Christmas season, let us seek lasting peace between all groups in our society; the substitution of the council table for strife, discord and suspicion. Let us seek lasting peace between labor, management and government, that the whole nation may go forward.

### It's up to Congress Now

The nation's leading bankers, replying to a questionnaire, expressed the opinion that the current slump in American business would run its course in about four months, and not develop into a new depression. They qualified this statement, however, by saying that an upturn is dependent largely upon a change in the attitude of the government toward industry. Finally, they proposed five distinct recovery measures, in the following order, all of which are in the power of Congress to effect:

1. Repeal of the undistributed earnings tax.
2. Balancing the budget.
3. Effecting increases in rail rates to provide a reasonable return on investment.
4. Lowering the tax on capital gains.
5. Encouragement to the utilities, in the interest of expansion.

It is certainly no coincidence that this list of measures, proposed by bankers heading 125 institutions with total deposits of more than \$12,000,000,000.00, is in entire accord with the proposals of a legion of other experts, including many men high in government service. Tax reform—a sane fiscal policy—a friendly attitude toward the great basic industries which normally provide the bulk of American investment, purchasing and employment: These are essential not only to recovery and the prevention of another depression, but to eventual permanent stability.

In other words, it is high time Congress did more thinking about recovery, and less about "reform"—especially reforms of the half-baked, experimental nature we have been witnessing in confused abundance in the last few years. As a number of authorities have been saying, the question of whether we are to go ahead again or to continue rolling down the economic hill will be decided in the next six to eight weeks—and Congress must do a large part of the deciding.

\* \* \*

### Hoping for the Best

There are growing indications that the federal government may call a truce in its war on the private utility industry. The fact that the electric utilities, if given reasonable assurance that they will not be saddled further with confiscatory taxes, punitive regulation or driven out of business by government competition, could be a tremendous influence in curbing the recession, seems to have finally permeated the halls of Congress. However, to date there has been no concrete action, in spite of the new attitude of compassion. And after half a decade of merciless political attack it will take more than a few words of half-hearted conciliation to snap the utility industry out of the doldrums.

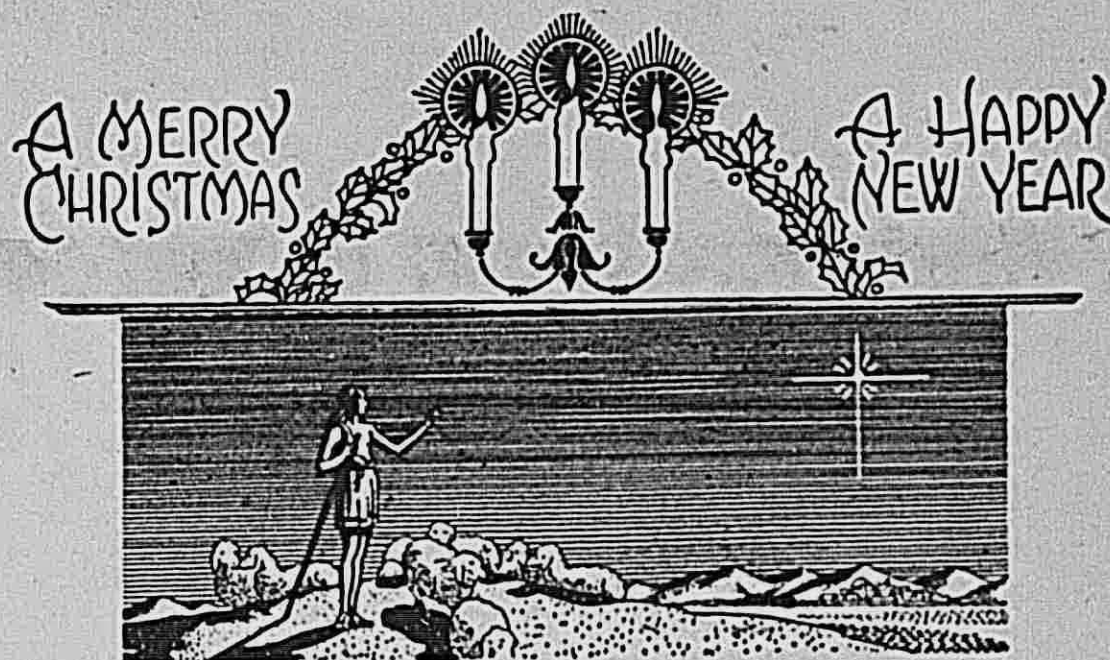

As has been pointed out, if the truce is genuine, the first form that congressional action should take is the stoppage of further direct competition by government with its citizens. Second, it should compel true accounting of existing public power operations. Third, it should stop promoting and subsidizing public ownership and operation.

Billions of dollars of utility construction and expansion, and thousands of jobs are awaiting such action. Will it be taken? Is the truce genuine—and permanent? One wonders—and hopes for the best.

And we DO mean YOU

## ANTIOCH and Vicinity

## MRS. ELMS ENTERTAINED BRIDGE CLUB

The Friday bridge club met last week with Mrs. Irving Elms at her home on Orchard street. Mrs. V. B. Felter, Mrs. H. Radtke, Mrs. Russell Keulman and Mrs. Homer Gaston were awarded prizes.

## AMERICAN LEGION AUX. TO HOLD MEETING

The next regular meeting of the American Legion Auxiliary will be held at the hall Friday, January 14 at 8 o'clock. The monthly social meeting will be held January 28 at the home of Mrs. Lester Osmond.

Lester Perry, son of Mr. and Mrs. H. H. Perry, has been ill at his home on Lake street the past week.

Bobby Lutterman, son of Dr. and Mrs. E. J. Lutterman, has been ill for the past week.

Mr. and Mrs. Chas. Lux and Mr. and Mrs. Robert Wilton attended the funeral services for Mrs. Emmett Cairnes, at Pittsfield.

Mrs. Ira Patterson underwent an operation for appendicitis a week ago at the Burlington hospital. Her condition is somewhat improved.

Mrs. A. P. Bratrude and Mrs. L. Zimmerman spent Friday in Milwaukee, Wisconsin.

Earl Pitman, who has been very ill at his home on Victoria street for the past several days, is improving.

Arden Van Patten spent Saturday in Chicago the guest of his sister, Evelyn.

Mr. and Mrs. Herman Rosing left Sunday for Eau Gallie, Florida, where they will spend several weeks with Mrs. Rosing's parents, Mr. and Mrs. William Hildebrand.

Mr. and Mrs. H. E. Shepard and Mrs. M. E. Behler of Woodstock were calling on relatives in Antioch Sunday.

Mr. and Mrs. Howard Gaston spent Saturday in Kenosha.

Mrs. John Darby of Boulder, Colo., and formerly of Antioch, suffered a broken hip, as the result of a fall at her home a few weeks ago.

Mr. and Mrs. Floyd Mathews and family of Waukegan were guests of Mr. and Mrs. O. W. Mathews Sunday.

Mr. and Mrs. N. H. Engle and family of Chicago and Mr. and Mrs. Ray Eddy of Lake Catherine were dinner guests of Mr. and Mrs. V. B. Felter Sunday.

Ted Larson, a student at Jacksonville college, arrived home Saturday to spend the Christmas holidays with his parents, Mr. and Mrs. P. T. Larsen.

Mr. and Mrs. Charles A. Anderson of Petite Lake are leaving January 2nd for Los Angeles, California, where they will spend the winter.

Mr. and Mrs. E. K. Anderson of Petite Lake left Tuesday morning for Grinnell, Iowa, where they will spend the Christmas holidays.

Mr. and Mrs. V. B. Felter and daughter, Joan, will be dinner guests Christmas day of Mr. and Mrs. John Rotnour and Mrs. Lillian Rotnour at Elgin.

7:30 A. M. Holy Communion.

10:00 A. M. Church School.

11:00 A. M. Holy Communion and Sermon.

The Christmas music will be repeated at this service.

Christmas Eve, Dec. 24th, the midnight Choral Eucharist at 11:00 P. M.

Everyone is cordially invited. Christmas carols will be sung; also Christmas music by the choir.

## METHODIST CHURCH NOTES

Warren C. Henslee, Pastor

Antioch, Illinois

Next Sunday the sermon will center around the New Year. The subject will be, "Outward Bound," with illustrations taken from a great ocean-going steam ship. To be present at this service is a good way to begin the New Year.

Our combined Christmas and Communion service last Sunday was a very marked success. About fifty persons participated in the Communion service at the church, and in the afternoon Communion was served in three different homes for the benefit of elderly friends who were not able to come to church.

Sunday evening at 7:30 there will be an unique service built around Henry Van Dyke's beautiful Christmas story, "The Other Wise Man." A solo, a duet, and a quartet, will enrich this hour. May we have the pleasure of greeting you at this service?

We wish you all A Merry Christmas and A Happy New Year.

## Personals

Mr. and Mrs. George Kuhaup are spending Christmas with their daughter and family, Mr. and Mrs. R. A. Thompson, at Lake Villa.

Mr. and Mrs. C. Zapp of Channel Lake left Sunday for a few days visit with relatives in Chicago.

A day that's full of happiness!  
A season full of cheer!  
Then—the best of fortune  
To make life glad all the year!

### KING OF FOWL REMAINS CHOICE OF HOLIDAY RISH

Turkey continues to be the piece de resistance for the holiday dinner table, and when proper attention has been paid to its purchase and cooking the simplest of fare takes on elegance.

In purchasing a turkey select one that is plump and broad chested, with smooth pliable legs and without any spurs. A hen turkey is usually more tender than the tom. Ten to twelve pound turkeys are the best buy. If it is necessary to have more it is better to purchase two 8 to 10-pound turkeys than one 18 to 20 pound bird.

Remove pinfeathers and singe over gas flame to remove any hairs. Whip the bird well inside and out with a clean, wet cloth and rinse thoroughly. Draw out the viscera and clean inside cavity well with clean, cold water. The butcher will draw the bird for you if you ask him.

Rub the turkey inside with lemon juice or a cut onion; sprinkle with salt and then dredge lightly with flour. Place on its back in an uncovered roasting pan. To make the white meat more juicy a piece of suet or bacon can be placed across the breast. Bake in a 350-degree F. Oven, roasting 15 minutes to the pound for the young turkey and 20 minutes per pound for the mature one. Baste it frequently with pan liquor.

Take your pick from these flavorful stuffings to tuck into the holiday fowl. Be sure to make plenty of it as there will be second servings. Try them and see!

#### Chestnut Stuffing

1 quart large chestnuts  
1/2 cup butter or substitute  
1 teaspoonful salt  
1 egg slightly beaten  
2 cups bread crumbs or hot mashed sweet potatoes.  
1/2 tablespoon chopped parsley  
The liver, chopped fine  
Method: Remove the shells and inner skin of the chestnuts and cook un-

til tender in boiling, salted water. Drain and put through a ricer. Add the rest of the ingredients in the order given and mix well. If a moist dressing is required, add 1/4 cup of cream or stock.

#### Prune Stuffing

1/2 pound prunes, stewed  
1 cup bread crumbs or 1 cup boiled rice  
1/2 cup poultry seasoning  
1/2 teaspoon salt  
1-16 teaspoon pepper  
Method: Remove stones from stewed prunes and cut into quarters. Add the remainder of the ingredients in the order given and mix well. Yield: 6 servings.

#### Celery Stuffing

3/4 cups stale bread crumbs  
1/2 teaspoon salt  
1/2 teaspoon sage  
1/2 teaspoon thyme  
1-16 teaspoon marjoram  
1-16 teaspoon pepper  
4 tablespoons melted butter  
2-3 cup hot milk  
1/2 cup celery, chopped fine  
Method: Combine bread crumbs and seasonings; mix well. Add the melted butter, tossing the bread crumbs to moisten and season evenly. Then add the hot milk and celery, mixing together lightly. Spoon into the turkey lightly. Yield: Sufficient for one 10 to 12 pound turkey.

#### RULES GIVEN ON HOW TO MAKE COFFEE

The multiplicity of urns, pots, percolators, drip-layers and coffee makers in general on the market, gives the homemaker of today a distinct advantage over the cooks of grandmother's time when it comes to making hubby's morning coffee.

The coffee making devices of today are simple to operate and usually result in a better brew. Regardless of the type used, however, there are several rules which are vitally important

for every housewife to follow if she would prepare good coffee. For a beverage which enjoys such a universal popularity, it is to be regretted that so many homemakers have not mastered the art of preparing it consistently.

#### FOLLOW THESE RULES

The points given here are really not rules but simply commonsense suggestions which every homemaker knows but frequently forgets, or just neglects in her haste to prepare this beverage.

Naturally the coffee should be fresh. After the container is opened, the coffee should be kept in an airtight container. Some cans have self-locking tops. The coffee pot itself should be kept clean. Never allow grounds to stand in a coffee pot or maker. Use only freshly drawn water. Above all, use standard measuring utensils to insure the correct proportions of both water and coffee. (2 level tablespoons of coffee to each standard measuring cup of water.)

#### SHOULD NOT BOIL

For the exceptional private blend of coffee rich in essential oils, one rounding teaspoon of properly ground coffee is sufficient for each cup of coffee to be made. Some authorities suggest an extra tablespoonful for the pot, this is entirely optional. Never allow the coffee to percolate over six minutes, and it should never really boil. Once the coffee is made serve immediately, because to be at its best, coffee should be enjoyed as soon as it is ready.

#### The Old Louisiana Lottery

Beginning in 1869, the Louisiana lottery did a business of \$28,000,000 a year. It paid the state an annual fee of only \$40,000. In 1890 a federal law was enacted barring use of the United States mails to the Louisiana or any other lottery. This forced the Louisiana company to migrate to Honduras where it continued to operate for a while, but finally succumbed.

## NILES CENTER SEEN AS FAVORITE TONIGHT

Flashy Suburban Team to Oppose Sequoits on Local Court

BENTON A. C. LEAGUE		
W	L	Pct.
Wolfe's Bar-B-Q	3	0-1.000
Murrie's Service	2	1-.667
Sabine Foods	2	1-.667
Sam's Barbers	1	2-.333
Fieldcrest Club	1	2-.333
B. B. Sweet Shop	0	3-.000

Despite a determined last quarter rally, Murrie's Service Station cagers were knocked off the top rung in the Benton A. C. Basketball standings last Thursday through a 22-21 defeat at the hands of Edith Wolfe's Bar-B-Q basketweavers.

All the thrills that had been predicted materialized in this battle for the league leadership. A slow start was primarily responsible for the defeat of the local quintet. At the half Murrie's trailed 13 to 6.

During the final half, which saw occasional punches tossed as well as the ball, the Service men gradually overtook their opponents to establish a lead for a brief time in the fourth quarter. But the Bar-B-Q boys were not to be denied and drew ahead again to keep their record unmarred.

Scoring Divided  
As in previous games, the well balanced team play on the part of the Wolfe team was outstanding. All seven men who saw action for the winners contributed to the scoring, Brune at forward being high man with only 6 points.

Sallisbury and Steffenburg lead the Murrie attack with nine and eight points respectively. Bob King, who had been high scorer of the circuit at the end of the second round of play, was held to two free throws. Tight zone defenses on the part of both teams forced most of the shots at the hoop to be attempted from well out on the court.

Sabine's Fine Foods drew up into a tie with Murrie's for second place by walloping Fieldcrest club 32 to 18. The Fine Foods five clash with Wolfe's tomorrow night and by winning can throw the title race into a three-way scrap. League champions last year, Sabine's are hoped to give the Wolfe crew a hard battle.

Barbers Win  
In the scrap for last place dishonor, Sam's Barbers crawled out of the cellar on the shoulders of the Sweet Shop team, trimming the candy kids 27-19 in a well played game.

The Sweet Shop team will go up against Murrie's in the second game tomorrow night at the local gymnasium and the Barbers and Fieldcrest will tangle in the opener.

Lineups for the Wolfe-Murrie fray:

Merry  
Christmas!

## The Value of a Smile at CHRISTMAS

It costs nothing, but creates much.  
It enriches those who receive, with-  
out impoverishing those who give.  
It happens in a flash and the mem-  
ory of it sometimes lasts forever.

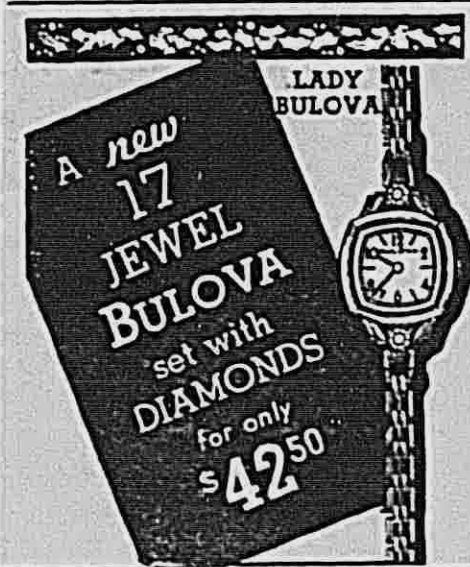

None are so rich they can get along  
without it and none so poor but what  
they are richer for its benefits.

Yet it cannot be bought, begged,  
borrowed or stolen, for it is something  
that is no earthly good to anybody 'til  
it is given away!

And, if in the last minute rush of  
Christmas buying, some one should  
be rushed to give you a smile—leave  
one of yours.

For nobody needs a smile so much  
as those who have none left to give.

and  
Here's a Smile—  
Merry Xmas to All

"AFTER ALL, IT'S JUST A  
CASE OF PLAIN ARITHMETIC"

"FOUR families are just twice as many as two families,  
and when you're on a four-party telephone line the  
chances of it being in use by some one else when you  
want it are twice what they'd be with a two-party line.

"That's why we've had our service changed to a  
two-party line. Otherwise, our four-party service was  
good. A two-party line costs only a few cents more a  
day, and we don't have nearly as many delays waiting  
for other people to finish talking when we're in a  
hurry to telephone.

"Some time soon we are planning to  
have an individual line. You'd be sur-  
prised how little it actually costs!"

ILLINOIS BELL TELEPHONE COMPANY

May you enjoy in many ways  
The Merry Christmas Holidays,  
And may good luck and gladness too,  
Be yours all the New Year through.
